Dear Paulette,

Pursuant to our conversation yesterday, April 3, 2007, attached is a corrected transmittal for the above-identified application. As you noted, the international application number identified on page one of the transmittal included a typographical error. Thus, the error has been corrected to show that "IB" should read "FI". The correct international application number was identified on page two of the transmittal.

If this form of correction is insufficient or any further information is required, please let me know as soon as possible. Thank you for your help in correcting this matter.

Best regards,

A handwritten signature in cursive script that reads 'Erin M. Nichols'.
